

# Stabilize It!™

## Pre-cut embroidery stabilizer in the Smart Sheets™ Dispensing System

### Featuring:

- Embroidery stabilizer in **perfectly pre-cut sheets**
  - Save time: no more cutting so you can spend more time embroidering!
  - Less waste: never cut your stabilizer too small or too big again!
  - No waste because of curled stabilizer near the end of the roll
  - Full and generous margins for hooping
  - Two sizes available, specifically designed to perfectly fit the most popular hoop sizes:
    - Small sheets are 7-1/2" x 9" and fit 4" x 4" hoops
    - Large sheets are 9" x 12-1/2" and fit 5" x 7" hoops
- **Smart Sheets™ Dispensing System** (patent pending!)
  - More convenient than a roll, you just pull & go!
  - Never run out during a project – you can easily see how many sheets you have left in the box. No more guessing how much is still on the roll!
  - Easy to stack and store, keeping your sewing room organized
  - Holds 50 sheets of stabilizer, not too much and not too little
- **Color-coding** is based on how the stabilizer is removed, making it easy to find just what you need:
  - Cut-Away (Purple)
  - Tear-Away (Green)
  - Wash-Away (Blue)
- Each Stabilize It! package has the **“uses and instructions” right on the box**, so it's always there right when you need it
- **Eight** of the **top-selling styles** of stabilizer have been included to ensure there is a product for your every embroidery need.
- Brought to you by Amazing Designs, so it's the **high quality you expect**
